Subject: Information on Fairfield Sentry

Carla,

We are about to finalize the analysis of Fairfield Sentry, and need this final information:

- 1) Asset breakdown by liquidity: x% cash, y% for 1 month, z% for 3 months, etc.
- 2) Confirmation by the fund manager that no more than 30% of the fund assets are underlying of structured products.

Counting on your timely reply with this information, we will submit Fairfield Sentry to the approval of Credit Agricole Product Committee next February 15 in Paris. This approval allows the fund to be distributed within the entire Credit Agricole International Private Banking network.

Regard,

Marco Aurelio
